

# teleskopy.pl

Binoculars from the renowned Bresser company with high quality workmanship. Perfect as a nature or hunting binoculars. Thanks to the use of high-quality optical glass BaK-4 (better than BK7), it is an optically impeccable pair of binoculars. Roof prisms on the one hand provide a compact design, on the other, however, rather eliminate this binoculars from purely astronomical applications. Includes a neck strap, lenses covers and glasses, and a carrying case with a belt
