

# teleskopy.pl

The case is designed for storing and carrying Baader Hyperion glasses from the basic series (5 mm, 8 mm, 10 mm, 13 mm, 17 mm, 21 mm, 24 mm). Inside there is room for 7 glasses. The interior of the suitcase is made of foam and can be adapted to your needs to some extent. The suitcase is dedicated to Hyperion glasses, however, it can be used to store other glasses of similar size (Vixen LVW, Pentax XW, Sky-Watcher SWA70, etc.)
