A spare set of blades for the DJI Phantom quadrocopter. It contains a pair of CW and CCW props (with clockwise and anti-clockwise movement). Useful in the event of mechanical damage to the blades, for example as a result of a fall or collision with an obstacle. Damaged propellers can be replaced quickly and easily on their own. Note: Blades currently also appear in black - please contact us before purchasing, if the blades' color is the decisive criterion. Total length: 20 cm Warranty 24 months Additional product photos The producer's materials (including films) are available at <http://www.dji-innovations.com/product/phantom/>
