Bag Camrock Metro M20 with a compartment for a laptop / tablet and a removable photo insert Camrock Metro M20 is a universal bag that combines the features of a photo and city bag. Large capacity and functionality allows you to simultaneously transfer a DSLR (mirrorless camera or large compact camera), from 2 to 3 additional lenses, a flash unit, a laptop up to 15.6", documents in A4 format and many small items (wallet, mobile phone, MP3 player, glasses case, photo accessories, etc.). The bag is made of high quality materials. The main chamber is equipped with a contribution for photographic equipment, after its removal we gain additional space for other items. The set includes a comfortable shoulder strap, fastened with metal buckles. Metro M20 also has a mount that allows the bag to be mounted on a travel suitcase. Lateral attachments of the bag allow additional attachments to be attached. Characteristics

- photo cartridge can accommodate: a DSLR camera, 2-3 lenses, a flash unit
- laptop pocket can accommodate a computer up to 15.6"
- 2 outer pockets closed with a zipper
