

Register a variety of materials with the Dual HERO system. Tandem houses two cameras HERO3 + Black Edition (sold separately), which will allow you to register movies and photos at the highest quality at the same time. You can also record synchronized material for 3D conversion using GoPro Studio software, which can be downloaded free of charge from gopro.com. Control of settings and selection of modes of both cameras takes place from the interface of one of them, which increases the convenience of use. Note: compatible only with GoPro HD Hero 3+ Black Edition cameras. Warranty 24 months
