Stylish theater binoculars with a gold chain, available in three color versions - black, cherry and pearl, along with a tasteful red box with a velvet surface. Triple magnification will bring you closer to the center of events even from the last rows of theater, opera or philharmonic. Adjusting the focus will always ensure a sharp picture, regardless of whether you wear glasses or not. An original look will emphasize your style. Lightweight (160 g) and the Delta Optical theater binoculars in all envelopes, this is a unique and practical addition to the evening's creation!
