

The cover protects the casing and camera against the consequences of falls, vibrations and scratches. Allows you to protect the waterproof camera housing from dust and dirt. He insulates the camera thermally. On hot days it prevents overheating, and at low temperatures from excessive cooling. Thanks to this, the working time on one battery charge is extended. The material from which the cover is made has been chosen so as to improve the grip of the camera when it is wet. When using the cover, you can connect the GoPro LCD BacPak. parameters ∅ weight: 30 g ∅ material: silicone, black ∅ compatibility: GoPro Hero 3+, 4 Warranty 24 months IN OUR OFFER WE HAVE GOPRO CAMERAS: the latest Hero4 Sessionk , Hero 4 Black and Silver and a wide selection of accessories for GoPro - we encourage you to contact us.
