Camrock Series City Gray cases combine the highest quality of workmanship with an interesting design. Each cover is sewn from impregnated 630TX nylon, which provides high resistance to wetting and dirt. The City Gray series products have been lined with a soft material that guarantees protection against scratches. Case Camrock City Gray XG10 is designed to store and carry small mirrorless cameras and hybrid cameras. It has a main compartment with dimensions of 12 cm x 15 cm x 8 cm and an additional internal pocket for small accessories. In the center there is a movable divider that allows you to adjust the interior to your camera. The XG10 bag can be carried by holding the handle in the upper
