Camrock Series City Gray cases combine the highest quality of workmanship with an interesting design. Each cover is sewn from impregnated 630TX nylon, which provides high resistance to wetting and dirt. The City Gray series products have been lined with a soft material that guarantees protection against scratches. The Camrock City Gray XG40 is designed for storing and carrying small DSLRs and mirrorless cameras with additional lenses or a flash. It has a main compartment of 20 cm x 27 cm x 10 cm and additional external pockets for small accessories. In the center there are two adjustable dividers that allow you to adjust the interior to your camera. The XG40 bag can be carried on the shoulder with the attached strap. The rain cover hidden in the pocket helps to protect against moisture and dust. parameters – internal dimensions: 20 cm x 27 cm x 10 cm – external dimensions: 23 cm x 30 cm x 12 cm – weight: 525 g
