Levenhuk Wise monoculars are proof that worthy observation equipment can be made for very moderate money. The quality of the telescopes of this series (8x32, 8x42, 10x42) is surprising - we get solid, mechanically well and optically good telescopes - with adjustable eyecup, tripod mount (models with 42 mm objectives), Bak4 prisms and fully coated ? optician. Monocular Levenhuk Wise 10x42 is an excellent optical instrument for observation. With 10x magnification you will see exactly distant objects: birds, animals, mountain ranges or details of urban architecture. This model is characterized by low weight and compact size - you can always take it with you, whatever you are going. Monocular Levenhuk Wise 10x42 is the perfect choice for any amateur wandering, traveling, extreme sports or walking. The Levenhuk Wise 10x42 model is a combination of a reliable construction, excellent optical performance and comfort of use. A modern design using a roof prism and lenses made of glass covered with a multilayer coating guarantees a clear, contrasting image. Regardless of the time of day and weather conditions, you can always enjoy a bright, saturated view from Levenhuk Wise 10x42. The monocular body is covered with a special material that protects against vibrations, dust and water splashes. This coating prevents damage caused by impact or shocks. Observations with Levenhuk Wise 10x42 monocell may also be carried out with glasses; adjustable eyecup allows you to set the appropriate distance between the eye and the eyepiece of the instrument. A handy knob placed in the middle of the body is used to adjust the

focus. During long observations, the Levenhuk Wise 10x42 monocular can be mounted on a tripod - on the casing there is a standard 1/4 "socket. Technical parameters

- Zoom: 10x
- Lens diameter: 42 mm
- Output: 4.2 mm
- Retracting the output pupil: 13.6 mm
- Prism: roof, BaK4
- Field of view: 101 m / 1000 m / 5.8 °
- Layers: FMC
- Minimum distance of observation: 3.5 meters
- Tripod mount: yes, 1/4 inch
- Dimensions: 156 ? 71 ? 54 mm
- Weight: 340 g
