Versatile Leapers Deluxe Commando holster with a modern look that fits the average size of pistols such as Glock 17 or IWI Jericho. You can also successfully use it with smaller weapon units, such as beretta m84, Walther P99 and Makarov. Made of three-layered material (cordura exterior, PVC foam inside, inside a soft fabric ensuring maximum protection of the weapon). A modern look, space for a magazine, opened in two ways (by pulling the strap with a hook or by opening a polymer clip). Can be attached by a velcro to a tactical vest or belt. Holster is used by police in the United States. The product is intended for right-handers. Warranty 12 months
