

teleskopy.pl

The installation of the Vortex Cantilever with a 2" base on a 30 mm tube is designed specifically for the AR15 platform. The robust assembly of the spotting scope is as important as the high-class optics. It is worth choosing a proven solution that prevents accidental movement of the optics on the unit. Do not take any risks and choose Vortex brand today. **Warranty** Lifetime warranty: if anything happens to your telescope, Vortex will repair it or replace it with a completely new one. * The warranty does not cover the loss, theft or intentional destruction of the telescope.
