

# teleskopy.pl

The installation of the Vortex Cantilever with a 3" base on a 30 mm tube was created especially for the AR15 platform. The robust mounting of the spotting scope is as important as the high-class optics. It is worth choosing a proven solution that prevents accidental movement of the optics on the unit Do not take any risks and choose Vortex brand today.

Warranty Lifetime warranty: if anything happens to your telescope, Vortex will repair it or replace it with a completely new one. \* The warranty does not cover the loss, theft or intentional destruction of the telescope.
