

teleskopy.pl

A beautiful computer mouse pad and a cloth of the highest quality microfiber in one - with a sky map. Perfectly cleans extremely delicate surfaces of eyeglass and photo-optical lenses, screens of tablets, laptops, cleaning and degreasing surfaces. As a mouse pad, it perfectly adheres to the countertop surface thanks to silicone micro points on the bottom surface. The pad is ideal for both flat hard surfaces as well as soft and uneven ones. Size 17.5 cm x 23 cm
